PIANC AMERICA 2023 CONFERENCE

Sustaining Ports, Waterways,
and Marinas through a
Changing Climate

APRIL 24-28, 2023
FORT LAUDERDALE, FLORIDA, USA

Hosted by **PIANC USA**

www.piancamerica2023.org

WHO IS PIANC?

When founded in 1885, PIANC was the Permanent International Association of Navigation Congresses. Over time, the association changed its name to The World Association for Waterborne Transport Infrastructure but retained the PIANC acronym. PIANC USA is the United States Section of PIANC.

PIANC is an international association comprised of governments, private sector companies, academics, and individual professionals, with four technical commissions focused on Inland Navigation, Maritime Navigation, Environmental Sustainability, and Recreational Navigation. PIANC is committed to fostering progress in all fields related to waterborne transportation through the professional expertise and collaboration of its international membership.

Since 1902, PIANC USA members have contributed to groundbreaking innovations through the exchange and publication of expert technical information in the areas of planning, design, construction, improvement, maintenance and operation of ports and waterways.
